## Brother Knights

We are rapidly approaching the end of our Knights' year. Meetings have wrapped up, and now it is time to reflect. Watching the success of this year's Chili Cookoff, there seems to be some energy flowing from it! Hopefully it can continue!

The Council has plenty happening between now and July. Your Executive can use your help. Some of these events are our major fund-raisers and require manpower.

First, I would like to thank all Knights who helped with the CHILI COOKOFF in any way. As you may have heard, it was an amazing success. Mike and the members of the planning committee could not manage without the many, many volunteers. A giant thank you to all who helped make the event a success!

Secondly, June 6<sup>th</sup> was election night. The new slate of Officers is below. Pizza and Wings were enjoyed by those who attended.

A reminder (or plea) to all members. We need members to take the Food Handler's Course. We need more members to get this course. It is necessary for Canada Day and for the Chili Fest.

We also need some members to take the **Presidium** (online) **course** on the Supreme website. It is essential that we have members qualified, so that we are able to work with Youth. There is no cost involved.

Please contact a member of the executive for further instruction. **Presidium** can be found on the Supreme website.

There are a number of videos, both training and informative, that might be of interest to you. Visit the State or Supreme websites. Should you need a link, please email your Grand Knight or Financial Secretary. Most links are given in the State or Supreme Newsletters, that you receive each month.
